

Federal Tax Bill of \$3,504,400,000 Tentatively Voted

Committee Completes Draft as Treasury Tells Spending

Washington, July 2—(AP)—The House ways and means committee completed the preliminary drafting of a \$3,504,400,000 tax bill today—\$4,400,000 above its goal—after voting tentatively to increase the capital stock tax on corporations.

Representative Cooper (D-Tenn.), a member, announced that the committee had agreed tentatively to raise the capital stock tax from the present rate of \$1.10 per \$1,000 to \$1.25. He said this was estimated to yield \$18,000,000.

The committee also voted to impose a 10 per cent manufacturers' excise tax on cutlery which would produce an estimated \$6,000,000 and to increase the present withholding tax on non-resident aliens and non-resident foreign corporations from 16 1/2 per cent to 27 1/2 per cent.

The treasury estimated the withholding tax revision would raise \$20,000,000 additional. The levy represents the amount this government withholds from the earnings in this country of non-resident aliens and foreign corporations.

Committee attaches explained that the increase in the withholding tax was designed to bring the levy in line with increases in the rates of domestic tax payers.

To Tax Slot Machines
Cooper announced that the committee had also voted tentatively to revise its proposed tax on slot machines so as to exempt bona fide merchandise vending machines and to restrict the tax—\$25 annually for the use of such machines—to pinball and other gambling devices. He said the committee was advised by the treasury that penny vending machines in many cases would not take in, in the course of a year, as much as the tax originally proposed. In the case of machines vending merchandise only, the proposed tax was \$5 yearly.

Chairman Doughton (D-NC) announced that the committee had turned over to Congressional drafting experts the task of putting the bill into proper legislative form and probably would not meet again until just before the measure is ready for submission to the House, probably during the week of July 14. He predicted the House would complete action that same week.

Expenditures Announced
Meanwhile the treasury announced it had spent \$12,719,000, including \$6,048,000,000 for defense in the last fiscal year. The

Defense Industry Still Plagued by Unrest of Labor

(By The Associated Press)

The defense mediation board today set a time limit, 4 p. m. (CST) tomorrow, for the management of Western Cartridge Co., Alton, Ill., to accept or reject the board's recommendation that it recognize the AFL Chemical Workers union for its smokeless powder workers, and thus avert a strike set for next Sunday.

Ralph Seward, board secretary, served this notice on John Olin, vice-president of the firm which holds about \$100,000,000 in defense orders for small arms ammunition. The board's recommendation was made Saturday.

Intra-union bickering flared anew today in Los Angeles a few hours before CIO-United Automobile Workers and North American Aviation, Inc., officials met to sign a union contract granting \$7,000,000 a year in wage increases to 9,000 production employees.

Alleges Coercion

Lew Michener, west coast director of the CIO-UAW, who was suspended for his part in calling a strike at the plant June 5, wired CIO President Philip Murray in Washington protesting that the contract was forced upon the workers. He accused Richard T. Frankenstein, CIO vice-president in charge of aviation, of collaborating with company officials.

Employees ratified the contract late yesterday. Terms recommended by the national defense mediation board had been approved earlier in the day by company and union officials. Negotiations were begun in Washington six weeks ago.

In a strike which union leaders termed a national test of the use of WPA labor at sub-union wages, the AFL building trades council at St. Louis instructed between 1,500 and 2,000 workmen today to stay away from their jobs on a \$4,000,000 construction project at Jefferson Barracks.

Killer of Four

Bernard (Knife) Sawicki, 19-year-old Chicago parolee, who confessed killing four persons in three day holdup career.

Fourth Victim of Gun-Toting Youth Dies in Hospital

Chicago, July 2—(AP)—Fear flickered in the eyes of 19-year-old Bernard Sawicki today for the first time since his arrest and confession, reported by Police Capt. Hugh McCarthy, of four slayings in four days.

He stopped chewing gum, dodged and threw up his manacled hands to protect himself from the fists of Joseph Speaker, 23, son of Policeman Charles J. Speaker, who was found shot to death in a park.

The attack took place at an inquest into the deaths of the elder Speaker and two other men. Speaker's son plunged through a group of newspaper photographers and up on the witness stand to reach the cocky young gunman. He managed to land several blows before policemen seized him and led him from the courtroom.

Sawicki appeared nervous until the corner's jury returned with three verdicts of murder and a recommendation that he be held to the grand jury. Then he managed a thin smile and gave his attention to his wad of gum again.

Calls Victim "Rat"

Capt. McCarthy said that Sawicki's fourth victim, Charles Kwanski, 17, died of bullet wounds last night a short time after he identified Sawicki as the youth who shot him Sunday because he refused to join him in a holdup.

When officers took Sawicki, a parolee from the St. Charles School for Boys, who is proud of his "knifey" nickname, into the hospital room, he greeted Kwanski with: "Hello, rat!"

Later he elaborated to police that "I expected him to die and I'm glad he's gone. He was just a rat."

Still swaggering and boastful, Sawicki told again how he started his crime spree Friday by slaying Henry Allain, 72, near Momence.

So-o-o Simple

Chicago, July 2—(AP)—Lee Hung Sheun presented draft board officials with a Chinese puzzle yesterday when he appeared to register for selective service, but the solution was so-o-o simple.

Sheun speak no English so there was much futile waving of arms, sign language and pidgin English. An interpreter only served to confuse things further.

As a last resort, an official inquired through the interpreter, could Lee Hung Sheun write? He could, and in three languages—including English.

Illinois' Registration Tuesday 11,300 to 16,300 Under Estimate

Chicago, July 2—(AP)—Illinois had an additional 43,743 prospective draftees for the army today.

That number of men stood in line at local board headquarters yesterday to answer questions and sign their names in the state's second registration for selective service.

The figure, 11,500 to 16,300 below advance estimates, included: 43,501 who had reached their 21st birthday since October 16, 1940, when men between 21 and 36 were registered; and 212 who, for various reasons, did not register in October and aliens of draft age who were not in the United States for the first registration.

State selective service headquarters in Springfield said that

Deferment of Every Man Over 28 Years Old Ordered Today

Congress' Passage of Restriction Soon Is Anticipated

Washington, July 2—(AP)—Selective service narrowed its age limits today with the blanket deferment of all men 28 years of age or older not now in training.

The effect of the order was to make only those from 21 through 27 liable to a year's duty with the army in the future, and it increased the likelihood of an early call for many of the 750,000 young men who registered yesterday.

The blanket deferment order was issued late yesterday as local boards throughout the country were concluding the enrollment of the men who have reached 21 since the first registration last October. This second enrollment went off smoothly and apparently without major incident.

Brigadier General Lewis B. Hershey, deputy selective service director, who issued the instructions, said he acted at the request of congressional leaders in anticipation of final congressional approval of legislation which would have the same effect.

The order affects approximately 8,000,000 men between the ages of 28 and 36—or almost half of the 16,500,000 who signed up last October when all men between 21 and 36 were required to register.

Rolls Cut in Two

Although the original rolls were cut almost in two, authorities said that there would be no comparable reduction in the number of potential trainees. Some, indeed, thought that yesterday's 750,000 new registrants probably would provide about the same number of militarily qualified men as could be found among the millions newly deferred.

Hershey's formal order went to state selective service directors, who were instructed to advise all local boards immediately.

He pointed out that Senate-approved legislation now pending before the House military committee would provide deferment for all men who were 28 or over on July 1. The bill contains a clause making the deferment retroactive to July 1 and providing for the discharge of any men of that age group who are inducted into service on or after that date.

Only for Peacetime

Inasmuch as congressional leaders anticipate passage of this bill without major change, Hershey said, further inductions in this group should be postponed for a period to 30 days to permit final action on the bill.

Enactment of the measure would put the deferment on a permanent basis. It applies, however, only to peacetime, and any war emergency would automatically make those in the deferred classification subject again to call for service.

Texas' Governor Wins Senate Poli

Dallas, July 2—(AP)—Gov. W. Lee O'Daniel, who three years ago was selling flour through a radio program with hillbilly music and songs of his own composition, will go to the United States senate soon unless an official count alters his apparent special election victory.

Back to seats in the house after a strenuous campaign go Rep. Martin Dies, chairman of a committee to investigate un-American activities, and Lyndon Johnson, Roosevelt administration friend.

Johnson finished a close second and Dies a badly beaten fourth on the basis of unofficial returns from Saturday's election.

Although Bob Johnson, Texas election bureau manager, said returns from all the state's 254 counties had been carefully checked, he warned there was still a possibility of error. An official canvass will be made July 14.

Gov. Green to Report to People Over Radio

Springfield, Ill., July 2—(AP)—Governor Green will deliver a statewide radio address this evening dealing with state finances and the first six months of his administration.

An announcement from the governor's office said the address would be the chief executive's "first report to the people of Illinois on state finances and the budget." Green will speak from the executive mansion from 5:15 to 6:00 p. m. (CST) and the broadcast will be carried by WLS, Chicago, and 20 other stations throughout Illinois.

Governor Green will answer Democratic critics of the R-publican administration's financial policies, associates of the governor said. Rep. William Vicars, Pontiac, Democratic minority leader in the Illinois house, recently accused the GOP administration of "extravagance" despite campaign pledges of economy.

Operators of Freak Auto Horns in Court

James Healy paid a fine of \$5 and costs on a speeding charge.

Warrants were issued by Justice Shaulis in two other cases which were scheduled for hearing this afternoon. Two drivers who were taken to the police station by Motorcycle Officer Frank Tyne without driver's licenses and their recently purchased cars bore no state licenses. State Automobile Investigator T. E. Tessman was to appear when the two violators report late today.

Friday Will Mark Passing of Public Sale of Fireworks

Gov. Green Signs Bill Dooming Explosive Pieces in State

Springfield, Ill., July 2—(AP)—This Fourth of July will be the last in Illinois to be marked by the widespread popping of firecrackers and boom of toy cannon.

Governor Green last night signed the Thon bill forbidding the retail sale of explosive fireworks after next Jan. 1, except to responsible groups of adults who first obtain permits from local officials.

Sponsored as a safety measure by the Illinois Society for the Prevention of Blindness, the bill was opposed by some legislators who thought that the Fourth of July wouldn't be complete without firecrackers but the fact that many children are burned and injured each year resulted in the passage by the legislature of the fireworks ban.

The bill, introduced by Rep. William G. Thon (R-Oak Park), prohibits the retail sale of "explosive" fireworks and specifically bans firecrackers, blank cartridges, torpedoes, sky rockets, Roman candles, bombs, and fire balloons.

"Caps Excluded"

Exempted from provision of the bill are sparklers and toy pistols and other devised using powder "caps".

City and county authorities would be authorized to grant permits to groups of three or more adults provided that the fireworks display was supervised by "competent individuals".

The sponsors of the bill said that the new law probably will result in more public displays of fireworks. Injuries to children as a result of exploding fireworks have dropped in other states where the ban has been placed into effect, Representative Thon said.

In connection with the Fourth of July celebration this week-end, Governor Green issued an appeal for caution in motoring and in handling fireworks.

"As Governor of Illinois," his proclamation read, "I appeal to every citizen of our state to help reduce the July accident toll. Let each of us be more careful in walking and in driving. Let us have caution and good judgment in swimming and boating and the handling of explosives and fireworks."

Patriotic Program to Be Homecoming Climax

To climax the Homecoming and Fourth of July celebration, arrangements have been completed for a patriotic program to be held at the Loveland Community House Sunday afternoon from 3 to 4 o'clock. Mayor William V. Slothover will preside and citizens and Homecomers are invited to attend and participate.

Louis Leydig will conduct the community singing of patriotic numbers and the Dixon state hospital band under the direction of Joseph Ridolph, will play several selections. Miss Fannie Murphy will give the history of the flag and several prominent Dixon vocalists will be presented during the one hour program.

American Fliers Bag Three Planes

London, July 2—(AP)—American Fliers in the Eagle Squadron were credited with bagging three of a total of 17 German planes claimed by the RAF today in a series of daylight raids on northern France.

Strong RAF forces smashed across the channel late this morning and squadrons of fighters and bombers still were streaking over northern France during the afternoon, following up a night attack in which British bombs were said to have straddled the dock of a German battleship at Brest.

The RAF acknowledged that two bombers and seven fighters were lost in the daylight sweeps, the first large scale offensive against occupied France in which the American Eagle Squadron was reported taking part.

The British announcement said an airdrome at Merville, near Lille, and a railway junction southeast of Lille were bombed by British Blenheims guarded by a strong fighter escort. Bombs burst on runways and buildings and among dispersed aircraft, it reported.

100,000 Soviets Taken Prisoner, Nazis Announce

The War Today!

BY DEWITT MACKENZIE
(Telegraph Special Service)

Fierce Russian resistance to the German invasion has produced furious fighting at close quarters, especially in the Minsk zone, which within a few hours should give fair indication of whether the Communists will be able to effect any substantial degree of stabilization in the vital sectors of the 2,000 mile front or will suffer a major defeat.

The greatest and most crucial of the battles was being fought to the death in the region between Bialystok and Minsk, strategic center of the long line, just north of the great reach of inhospitable Pripyet marshlands. Here the nazis had surrounded two Russian armies which they had been straining to annihilate.

Indeed as this is written, the German radio broadcasts a communique claiming that the Russian army east of Bialystok has been destroyed. At the same time Moscow asserts that the defense has stopped the German thrust, not only towards the capital but against Leningrad to the north.

Much depends on the outcome of this bloody engagement astride the main road to Moscow, and whatever the situation may be at the moment there can be no doubt that the Russians have been in great danger.

Still, the great issue isn't whether Hitler can race to the soviet capital, or even seize the riches of the Ukraine. It is whether, if he does, he can in the process effect the destruction of the Russian government and establish domination over the soviet.

In other words, unless capture of Moscow and the western Russian meant the end of the war, the nazi chief would merely have started on his eastern front a

Two Franklin Growers Pay for Celebration

Courtney Schaffer and Eugene Gorton of Franklin Grove were the first offenders to be fined in Dixon police court for violation of the city ordinance which prohibits the shooting of fireworks on a public street. The two young men were arrested by Motorcycle Officer Frank Tyne last evening about 10 o'clock, in response to complaints from a citizen who was being disturbed in the vicinity of Third street and Galena avenue. Charges of discharging fireworks in a public street were filed before Justice J. O. Shaulis who assessed fines of \$5 and costs against each of the early Fourth of July celebrants.

Provisions of New Marriage Law in Illinois Explained by Barrett

Springfield, Ill., July 2—(AP)—An official explanation of the effects of the new marriage law which repeals the requirement that couples must file a three-day notice of intention to wed was issued today by Attorney General George F. Barrett.

Barrett listed the following principal points he made in rulings to public officials:

"1. It is no longer necessary for a couple to file a formal notice of intention to wed.

"2. Each applicant must still obtain a health certificate; each must personally sign the certificate issued by a doctor; and a county clerk may, if he wishes, require affidavits by others than the contracting parties.

"3. Both applicants, not just one, must appear before the county clerk and execute the affidavit as to age, etc.

"4. A license may be obtained not less than one day or more than 15 days after the date of the physician's examination as shown by the health certificate.

"5. If a health certificate is issued by the Director of Public Health, or his representative, then the county clerk may not require that laboratory tests be submitted, the certificate itself being sufficient."

The opinions were written at the request of State's Attorney Edwin C. Mills of Lincoln and Health Director Roland R. Cross.

Trapped Army of 400,000 Broken, Berlin Says

(By The Associated Press)

Adolf Hitler's military juggernaut was declared to have dealt a bloody, staggering blow to Russia today with the smashing of "a large part" of soviet armies trapped east of Bialystok—estimated at 400,000 troops—and the capture of 100,000 Red army prisoners.

In addition, the German high command announced that "immeasurable booty" taken in the battle included 400 tanks and 300 field cannon seized or destroyed.

Far to the north, Russia's ice-free Arctic port of Murmansk was reported to have been in German hands since yesterday, according to a Reuters (British news agency) dispatch from Stockholm.

While gigantic battles raged on land, the British radio reported that units of the Russian Black sea fleet shelled and destroyed the German-occupied naval base at Constanta, on the Rumanian coast.

The Berlin radio quoted the nazi high command as saying that German troops had "smashed strong soviet forces in the area of Kaunas and captured their entire arms and equipment", including 94 armored cars, 20 guns, 28 anti-aircraft guns, 81 tanks and 500 machine guns. The Germans claimed the capture of Kaunas, the capital of sovietized Lithuania, on Sunday.

Tells of Reds' Retreat

Russian troops were described as retreating on a wide front, suffering heavy casualties under the strafing of the nazi luftwaffe, while German and Finnish armies rolled across the U. S. S. R. from Finland in a new drive toward Leningrad, Russia's second biggest city.

A German war bulletin asserted the Red armies were falling back east of Lwow, in former Poland, and east of German-captured Minsk, the capital of White Russia, and were retreating toward Estonia.

"Units of the Hungarian army advancing from the Carpathian passes into Galicia joined the German army on schedule", the nazi communique said.

The German high command said the drive into the U. S. S. R. was "progressing swiftly."

New Attack Started
It also said that German troops "together with their finnish allies" had started an attack across the soviet frontier from central and northern Finland.

The German fuhrer's headquarters, in a special communique, also asserted that another 220 Red arm tanks had been captured or destroyed in a battle on the Galician front, near the soviet Ukraine, which ended yesterday.

More than 4,000 German and Russian tanks had been reported locked in battle in that sector.

Two whole Russian armies were reported to have been caught in the German snare, and apparently both were cut to pieces.

Knox Denies Navy Engaged as Convoy or in Any Combat

Washington, July 2—(AP)—Secretary Knox flatly stated today that no American vessels on Atlantic patrols had engaged in convoying, had become involved in combat, had suffered any loss of life in their crews or any loss of equipment.

The question of patrol operation was raised at a press conference at which the navy chief also was interrogated about criticism in Congress of his demand this week that the United States seize on the present moment to sweep "the German menace" from the Atlantic.

Repeatedly, the secretary declined to reply to the criticisms or to say whether the speech in which he made the demand had presidential or cabinet approval.

At length, however, when asked whether it would "be fair to say you are sticking by your guns on the speech," Knox boomed:

"Yes, of course."
Senator Wheeler (D-Mont) said yesterday that Knox

A letter from L. A. Bodine of Bowling Green, Caroline county, Virginia, states that the war department is planning to take over about 100,000 acres in that county for an army training and maneuver area. About one-half of the area is already being used and 25,000 soldiers from Fort Dix, N. J. and 5,000 from Fort Bragg, N. C. were there about two weeks ago for field maneuvers. New regiments are now coming every week and 80,000 are coming at one time in August.

Mr. and Mrs. W. J. Leake attended the meeting of the Amboy Townsend club council of which they are members held at the Ed Conderman home Tuesday night of last week.

Miss Marilyn Miller, 13-year-old daughter of Mr. and Mrs. Dick Miller of Detroit and granddaughter of Mrs. Ada Carlson, formerly of this place, now of Amboy, was graduated June 18 from the 8th grade in the Detroit city schools. She was in a class of 71 and was awarded the American Legion medal for scholastic ability, personality, character and high grades. The Miller family plan to leave Detroit July 3 on a vacation trip to Illinois and will visit in Rockford, Amboy, Lee Center and other places.

Fred Meyer celebrated the seventy-ninth anniversary of his birth Wednesday, June 25th at the home of his son-in-law and daughter, Mr. and Mrs. Ralph Haefner Sunday. Two decorated birthday cakes featured the dinner which was enjoyed out on the lawn. Those present besides the guest of honor, Mrs. Myers and the host and hostess were: Mr. and Mrs. Walter Gratton, Mr. and Mrs. Clifford Gundy and son Gerry of Gridley; Walter Dodson of Bloomington; Mr. and Mrs. Fred Meyer, Jr., Chicago; Mr. and Mrs. Jacob Heinzeroth and family, Rockford; Mr. and Mrs. Ray Meyers, Mrs. Mabel Painter and daughter, Ruth, Elgin; Mr. and Mrs. Dale Painter, Joliet; Mr. and Mrs. Allen Heinzeroth, Ashton; Mr. and Mrs. Bert Hetherington, Amboy. Mr. Meyer was the recipient of many remembrances and congratulations from relatives and friends.

There will be no meeting of the local Rebekah lodge Friday night

July 4 as it is a legal holiday and the refreshment committee will serve at the next meeting, July 18. A memorial service will follow the meeting on that date.

NEW OIL BEATS
five other big-name brands in
TORTURE-TEST
Endures Sizzling Death Valley heat for
13,398 MILES ON ONE 5-QUART FILL

IMPARTIAL

Latest available products of 5 leading competitors bought retail by Referee.

New everyday coupes used. Same make and model. Broken-in alike. Engines taken apart for Referee—to assure uniformity.

Cars tuned alike. Same route for all. Drivers rotated to even up on skill.

One fill per car. Never any added. Engines under lock.

Engines were under lock every mile. Cars were under scrutiny every minute. Never a drop of oil could be added.

How this Certified Record can spell new Oil-Savings—new Engine Safety—for You

You get the oil that outlasted 5 other highly reputed brands by 74% to 161% in Certified Competition, when you change to this proved-in-advance new oil named

CONOCO Nth MOTOR OIL

—Popular-Priced

Your own engine can be fortified by new Conoco Nth motor oil right today, at Your Mileage Merchant's Conoco station. But before going on sale this new oil proved that a regular 5-quart fill could establish startling extremes of endurance, engine protection and miser-economy.

Fantastic Death Valley brings Your Evidence

Death Valley seems to shimmy—like heat at your furnace door. And down on this desert impartial observers watched 6 identical stock cars, at 57-mile speed, torture-testing 6 quality oils, including new Conoco Nth oil. No let-up, day on day, till each oil gave out and junked its engine.

Even the best competitive oil in the test was outlasted 5,683 miles by Conoco Nth oil. And one "rival" was

outlasted all of 8,268 miles by new Conoco Nth oil. Certified.

All this New Economy how?

America has long known Conoco best for making it possible to give any engine OIL-PLATING... lubricant that can't all quickly drain down, but must stay PLATED UP—alert against wear in advance—not waiting till oil-flow starts. OIL-PLATING comes from a rare synthetic... man-made under the Conoco Germ Processed oil patent. And Conoco Nth motor oil still brings OIL-PLATING—but not only that!...

In addition this new oil brings Conoco's latest synthetic—Thialkene inhibitor. It inhibits—controls—the effect of foul "leftovers" produced by every engine's normal firing. Otherwise uncontrolled oil spoilage could easily start. In oils that let this spoilage start, it spreads like a rumor—gets worse, faster and faster. But now that's nipped in the bud by Thialkene inhibitor, in new Conoco Nth oil... U. S. Patent 2,218,132. This oil stays more like its own good self. Then your engine will, and that saves oil... as

CERTIFIED I hereby certify that the Death Valley Test and related work were thoroughly and fairly conducted. Engine Destruction occurred in each case at the mileage stated.

A Thought For Today

Let him that thinketh he standeth take heed lest he fall.—1 Corinthians 10:12.

Self-Conceit may lead to self-destruction.—Aesop.

No Oil Shortage

Frequently we hear that the Hon. Harold Ickes is planning to institute gasless Sundays on account of the so-called "oil shortage."

Actually there is no oil shortage. More oil is being produced nowadays than ever before. New reserves are being discovered. Consumption of oil and gasoline has increased, partly by reason of the defense "boom" and partly because some people have more money to spend for travel. The industry feels it can supply normal needs indefinitely, and probably war needs also unless unforeseen factors arise.

Where, then, is the shortage? The shortage is in transportation. Pipe lines and railroads are not equipped to carry to the eastern seaboard the full complement of oil required there. In the past much of this oil has been taken from the gulf ports to the east by tanker ships. Fifty of these ships have been requisitioned to carry oil for British war needs. The tanker lines were not over-equipped with ships at the beginning, and now the loss of the fifty has made it difficult to transport the vast stores of oil needed.

The situation will tend to correct itself to a certain extent. Sales of coal stokers have risen 70 per cent. Sales of oil burners have dropped somewhat. Manufacturers of high-mileage-to-the-gallon automobiles are being flooded with orders. There are other things that still can be done if the alleged shortage lasts long. The steam automobile can come back, and we might even see experiments with gas-fired automobiles—those cumbersome contraptions they use in Europe and Japan.

It has been suggested that the Hon. Mr. Ickes ration the whole country so as to make things even. He is quoted as spurning the idea, saying he doesn't want to create shortages where none exist. The middlewest and the west thank you, Mr. Ickes!

For some time we may see the prosperous east lacking in oil while we yoke in the sticks roll merrily along.

When the Reasonable Is Unreasonable

When a man owns property, the presumption is that he need part with it only on terms which he believes reasonable in view of his own needs and the inducement offered.

The great resources of the world's natural wealth are perhaps not quite so simple a basis. Any reasonable person would agree that it is wrong for any people to sit on indispensable quantities of

the world's resources and to deny them to other peoples. One of the world's needs is some means of better distributing and making available the raw materials of the world.

The pitiful part of it is that the basis for such a reasonable solution has been destroyed, and destroyed by the very people who stand to profit most by such a solution. Japan's "demands" on the Dutch East Indies for a share in the exploitation of the riches of that region are quite reasonable on their face. They want to provide entry of Japanese into the islands for commercial work, entry of Japanese ships to East Indies ports, coastwise navigation privileges, fishing privileges, and the like. Entirely reasonable, but—

Unfortunately, over the past 10 years Japan has destroyed the reputation of her people as willing to confine themselves to these legitimate and reasonable objectives. Does not the world know what Japanese business men do in a strange country beside business? Does it not know what Japanese ships and fishing vessels do in strange waters beside fish?

Is anyone ignorant of what citizens of Hitler Germany do in foreign lands beside what the rest of the world considers legitimate business? When every drummer, every fisherman, every consul, every traveler, is an agent for international revolution, for government spying, for domestic intrigue and the sowing of dissension, then business is no longer business.

That is the tragedy. Representatives of totalitarian powers have long since proved that no one can trust them to be what they seem to be, to carry on simply the business they say they wish to carry on.

That is why demands, reasonable on their face, are not really reasonable or even tolerable, and must be refused.

Let's Clean Our Own Skirts, First

Since Sweden gave permission for a large body of troops to be transported from Norway across Sweden to help Finland fight the Russians, there has been some tendency to call Sweden an appeaser country. When Finland was fighting Russia during the first Russian invasion Sweden was blamed for hanging back. On that occasion Sweden said the troops could be moved, but not in piffling amounts. Sweden said she would open the way for an effective number, but not for just enough to draw her into the war against Russia.

Now Sweden is being condemned for doing what she was asked to do in the first Finnish-Russian war—and by the same people.

Before we consign Sweden to eternal flames for doing what she can to eliminate at least one of her enemies, let us look into the action of the United States in permitting the sale of aviation gasoline and scrap iron to Japan. The United States is doing that as a matter of self-interest. The Swedes are practical, too.

Fort Sheridan draftees who are sassy to officers are given yellow buttons to wear. A reminder that in the army a man must keep his lip buttoned up.

Soldiers home on furlough report they sometimes become bored by the frequent drill. Others get the same feeling at the dentists.

Several of the Broadway columnists have an excellent sense of humor.

(Distributed by King Features Syndicate, Inc., reproduction in whole or in part strictly prohibited)

Washington, July 2.—That bleak report from the House military affairs committee criticizing the defense program for "confusion," "failures" and "unwarranted delays," came out only over the flat-tended frames of administration leaders. Speaker Rayburn and House Director McCormack worked on the full committee hard and long to keep it from adopting the critical viewpoint of its subcommittee. At one time they mustered ten votes against the report in executive session, but there were eleven in favor of caustic publicity.

Behind the report was one man, Representative Charles I. Faddis, lieutenant colonel overseas in the last war and a soldier who knows the business. He was chairman of the investigating subcommittee. Faddis is 100 per cent for the Roosevelt foreign policy, but the best friend and severest critic of the war department. Tall, slender, with military bearing, around 50 years old, he was the dynamo who started the promotion of raw material stock piles, the first move toward preparedness.

When he started his investigation he announced there would be no sensationalism but also no whitewashing. He kept his promise.

Roosevelt will call up 900,000 more draftees and implied this would require release of the training 650,000 at the end of their year—but don't plan your life in expectation that it will work out that way.

The unnoted facts are these: The draftees will not have enough training to be a match for a good military school. Their service expiration dates will start in December. There is plenty of time remaining in which everyone can change his mind. War department frankly concedes no one will be released if war comes before December.

The army is planning its housing arrangements, however, only to accommodate 900,000 at a time, so there will be a critical housing shortage if many current trainees stay on.

What would be ideal in army opinion would be release of older draftees, over 28 years of age, and induction or retention of the able-bodied youngsters. That is the way it is likely to turn.

If Stalin's army is routed, there is reason here to believe his plans call for a retreat of his government to the Far East. He will probably take control of the strong autonomous Red Army of Siberia. Thus even if he alone escapes, he would be in a position to maintain the international Communist organization and a Communist state. With this strong force he could also work for the future, with his friends in China.

Consequently no one expects him to try to get out through Persia and seek refuge in England or Mexico.

Hitler's plans for Russia, in expectation of victory, are believed to include the inauguration of two formidable new states, one grouping the Baltic nations and the other for the Ukraine, under his own domination of course. His program for the remainder of European Russia is not understood here except through some vague infor-

mation from Berlin, suggesting he wants "a lot of little states".

Hitler's troubles in Russia will not be over even if he exterminates the Red army. His experience with the peasants in Poland was only a mild forerunner of what he can expect. They will not relish turning over their products to the nazis, and are adept at passive resistances.

The Russian railroads are bad and the highways worse. The Russian track is six inches wider than German tracks, and therefore cannot be readily converted to German use. He may be kept busy in Russia for a long time.

Local Boys Tell of Life at State

Word received from Boys State, now in progress at Springfield, today indicated popularity of at least one member of the Dixon group, who was privileged to attend the sessions last summer. Dwight Fulmer was elected mayor of the city of Bittering at Monday's election. Running on the Federalist ticket, he defeated his Nationalist opponent by more than two to one to become mayor of the city group to which he was assigned for the one week.

At the organization meeting of the city group, he was honored by receiving the unanimous nomination for the office of representative. He was sponsored in this year's Boys State by Attorney Edward Jones and Joseph Eichler. The large group from Lee and Ogle counties are enjoying the experience in self government and word from one of the members from Dixon highly praises the camp routine. He was enthusiastic over the camp bill of fare and cited the Sunday dinner, which consisted of fried chicken, potatoes and gravy, combination salad, green beans, ice cream and topping and chocolate milk.

MRS. DAN RAPP

(Telegraph Special Service) Mendota, July 2.—Mrs. Dan Rapp, 77, resident of Mendota for many years, died Monday at 1 p. m. in her home on Giles avenue.

Survivors are her daughter, Mrs. Rudolph Lucas, Mendota; a son, Merle Rapp, Aurora; three grandchildren; and two sisters, Mrs. Viola Smith of Alvin, Texas and Mrs. Ida Frederick of Harper, Kansas. Three sisters and two brothers preceded her in death.

Funeral services are to be held Thursday afternoon at 2:30 in the Merritt funeral home. Rev. Eugene Anderson, pastor of the First Baptist church will officiate. Burial in Restland cemetery.

MRS. JEREMIAH DERHAM

(Telegraph Special Service) Mendota, July 2.—Mrs. Jeremiah Derham, 93, Mendota resident for 41 years, passed away in her home, 414 Twelfth street, Monday, following illness of about two years' duration.

Mrs. Derham, nee Mary Collins, was born February 12, 1848, near Altona, where she spent most of her early childhood. She was married to Jeremiah E. Derham of Ononda on April 18, 1867, and following their marriage lived in Clinton, Iowa, later moving back to Altona, and to Mendota in 1900, where she had lived since.

Mr. and Mrs. Derham had the distinction of being LaSalle county's oldest married couple, having celebrated their 74th wedding anniversary this year. Mr. Derham who is 98, is in fair health.

Mrs. Derham was a member of the Mendota Advent church and took an active interest in the Advent college, Aurora, which was formerly located in Mendota.

Survivors are her husband and one son, Dr. Milo G. Derham, Boulder, Colo. Funeral services are to be held in the Derham residence Thursday morning at 10:30. The Rev. Charles Hewitt, head of the Advent college, Aurora, will be in charge of services. Burial will be made in Altona cemetery, Altona.

Capt. and Mrs. Chytraus Are Complimented

Goodbyes were being said last evening to Capt. and Mrs. E. R. Chytraus, who are moving from Dixon tomorrow or Friday to a new address in Belleville, Captain Chytraus having been called for duty at Scott Field.

While one of Mrs. Chytraus' bridge clubs was entertaining at dinner in her honor at the Rainbow Inn, LeGrand Cannon was host at dinner at Peter Piper's, honoring Mr. Chytraus.

The bridge group followed their dinner with two tables of contract at the Curtis Taylor home, where a handkerchief shower awaited Mrs. Chytraus. Mrs. Arnold Schultz was fortunate in the card games.

Mr. Cannon's party, numbering about 20, presented Captain Chytraus with a traveling bag. This evening, another bridge club will be entertained at the home of Mr. and Mrs. Rodney Storey, with Captain and Mrs. Chytraus as special guests.

A Girl Scout's Idea of Fun

An All-Day Hike

Hiking through the woods, with a "cook-out" at the point of destination is a favorite summertime pastime with all Girl Scouts. At Camp John Ralston, in the wooded area east of Dixon, known as Lost Nation, a hike to some favorite spot near Clear creek, where milk cans may be set to cool while meat and potatoes are baked in a wood fire, will be part of the program planned for the 1941 camping season.

Both camp craft and health practices will be emphasized at Camp Ralston during the summer, in keeping with the nation-wide Scouting program of teaching young girls to be of service by being physically fit, thrifty and able to lend a helping hand wherever needed.

The camp council announces that troop activities will be continued, and camp craft badge information is to be practiced. For instance, the camp-goers will be given instruction in how to make a bed and fire out of doors; cook a meal over fire and learn the selection and conservation of wood for various types of campfires; to tie knots needed on their tents; make articles from material at hand to make outdoor living more comfortable; conduct a camp fire, lead a song or present a dramatization; to blaze and follow trails, and to practice sanitation. A well-trained and experienced director, assisted by a corps of efficient leaders, will supervise the program.

Camp Ralston is rich in natural resources, and has all of the essential accommodations and health guards. Swimming will be enjoyed four mornings a week at Crawford's pool, with a Senior Red Cross life saver in charge of waterfront activities. Swimming

Cradle Roll Is Entertained

Cradle roll members of the Christian church and their mothers were entertained Monday afternoon at tea in the church parlors. Forty-six guests were present.

At the invitation of Miss Phyllis Wells, cradle roll superintendent, the mothers introduced themselves and their babies. Greetings from Miss Wells and her assistant, Mrs. Leo Miles, preceded the following program: Duet, Mrs. Ora Tice and Mrs. Hazel Emmert; reading, Bonnie Jean Schuler; solo, "God Bless America," Bobby Russell, who also led group singing.

Refreshments were served at small tables, appropriately decorated with nursery pictures. Nursery rhymes were read by a mother at each table.

Flowers, small dolls, and toys appointed the serving table.

Summer Theater Repeats Comedy

Due to tremendous public interest and enthusiasm with which Director Richard Vernon's production, "Personal Appearance," was received last week at Illini hall, the Grand Detour Players have decided to repeat the Lawrence Riley comedy at their summer theater this week.

The same cast of last week will be seen in the amusing story of what happens when a Hollywood siren meets a small-town boy. Miss Joan Norlander, as Carole Arden, heads the cast. Miss Toni Lumley, young Chicago actress, appears in the role of Joyce Struthers.

Performances will be presented at 8:15 p. m. Thursday, Friday, Saturday and Sunday, with a special matinee at 2:30 p. m. Sunday, and Director Vernon announces that there will be no increase in prices.

DIXIE GIRLS

A 4-H group, the Dixie Girls, met Monday afternoon as guests of Darlene Burket. Their program included: "Care of Shoes," Joanne Pitzer; "Finishing of Seams," Charlene Wakely; "Collars," Ruth Meppen; group singing; games. Refreshments were served at the close of the study period.

The next meeting is scheduled for July 7.

BACK TO ARUBA

Miss Helen de Lhorbe, who recently returned to her home in Oregon from Aruba, Dutch West Indies to spend the summer vacation, has been asked to return to Aruba to teach summer school. She plans to sail from New York harbor on Tuesday, July 22.

is not included on the schedule for the Brownies, who will occupy the camp for a week beginning July 13.

Additional applications are being received daily by Miss Kathryn Harrington, Girl Scout director, and one of the most successful seasons in Camp Ralston's history is anticipated.

POP STAND

Alumnae and student nurses of Katherine Shaw Betha hospital will sponsor a soda pop sale at Dixon's homecoming celebration on Friday and Saturday, for benefit of the hospital. Mrs. Hazel Miller is in charge of arrangements.

MONDAY NIGHTERS

Monday Nighters will go to the White Pines state park for a 6:30 o'clock supper party Monday evening. Miss Florence Spielman is receiving reservations.

CCC Enrolee, Aged 17, Starts \$20,000 Blaze

Shelbyville, Ill., July 2—(AP)—A 17-year-old CCC camp enrollee was charged with arson today following a \$20,000 fire which last night destroyed three buildings of the Roberts Lumber Co. in the heart of this city's business district.

"I just wanted to see it burn," Sheriff Fred House quoted the accused youth, Daniel Boone, as saying.

Sheriff House said the youth also admitted starting another fire at the same lumber company a week ago, but that blaze was discovered early and caused only \$75 damage.

The Pana fire department came to the aid of the department here and prevented the fire last night from spreading to adjoining business houses.

The sheriff said Boone was enrolled in a CCC camp located in his city. The arson charge against him was signed by sheriff's deputies.

The Misses Anne and Dorothy Truckenbrod, Mr. and Mrs. John Truckenbrod, Mr. and Mrs. George Prescott and sons Charles and David, Mr. and Mrs. Gus Truckenbrod and Mrs. Ervin Mathiasius and William, Walter, Dorothy and Eleanor and Janet, Mr. and Mrs. Elmer Bauer and daughters Eleanor and Janet, Mr. and Mrs. Joe Fox, Mr. and Mrs. Ferd Hassler and daughter Eileen, Mr. and Mrs. Lester Betz and daughter Carol of Lamelle, Mr. and Mrs. Theodore Truckenbrod and daughter Elaine of Paw Paw, and the two invited guests of the day, Miss Clarice Boltz of Earlville, and Earl Waldorf of Mendota.

Allice Locke Weds

Miss Allice Locke, daughter of Charles A. Locke of Paw Paw, and Alvin Hinkston, son of Mr. and Mrs. Otis Hinkston of Shabbona, were united in marriage on Saturday, June 28, at the Shabbona Baptist parsonage at 2:30 p. m. by the Rev. A. M. Beaudoin, pastor of the church. The wedding was a single ring affair. John Cole of Shabbona and Mary Wise of Paw Paw attended the couple at the ceremony.

The happy couple left for a short honeymoon and upon their return will make their home at DeKalb where the bridegroom is employed at the Wurlitzer Piano company. The bride is well known in Paw Paw and community, having lived here for some time. She is also a graduate of Paw Paw community high school. The many friends of the couple extend best wishes for a successful journey through life together.

Obituary

Mabel Esta Baird, daughter of Mr. and Mrs. Charles Baird, was born on Sept. 2, 1889, at Lamelle, Ill. She passed away on June 26, 1941, at the home of Sam and Tom Baird following an illness of several months duration.

She was united in marriage to George W. Knickerbocker on Dec. 29, 1909. To this union were born three children: Anna Mildred, who died in infancy; Roger Knickerbocker of Carrier Mills, Ill., and Georgia Ruth of near Rollo. Besides the three children she leaves to mourn her passing, her father, C. A. Baird of Sioux City, Ia., and two sisters, Mrs. Luella Campbell of Sioux City and Mrs. Doris Evenson of South Milwaukee, Wis. Also three brothers, Guy Baird of Greenville, Tex., Robert Baird of McCook, Neb., and Roy Baird of Minneapolis, besides other close relatives and a host of friends.

Funeral services were held at Earlville, and at Carrier Mills, with burial at Harrisburg, Ill., on June 28.

Half Hundred United States Marines Arrive In England For Duty

London, July 2—(AP)—Arrival of 51 United States Marines under the command of Captain John B. Hill to take over guard duties at the United States embassy was announced officially today.

The marines are to be quartered outside London for a few days, it was said, and then transferred to billets near the embassy to relieve armed London bobbies who have been guarding the diplomatic headquarters.

The marines arrived yesterday at a British port. Survivors of the former Dutch steamer Maarsden, which was sunk while taking marines and American Red Cross nurses to England, are expected here shortly.

(At least one marine aboard the ship and some nurses were feared lost. Rescue of the others was reported by the United States navy.)

Slayer of Husband Is Transferred to Asylum

Kankakee, Ill., July 2—(AP)—Mrs. Mildred Bolton, who was wrong when she remarked five years ago that "they don't convict women of killing their husbands in Cook county", is now a patient in the state hospital for the insane here.

Mrs. Bolton, who shot her husband to death in 1936 in a Chicago office building, was transferred here from the women's reformatory at Dwight where she was taken after the late Governor Horner commuted her death sentence to 199 years in prison.

Marion Talley Is Awarded Divorce, Baby, Clean Name

Los Angeles, July 2—(AP)—Marion Talley has a divorce, full custody of her daughter Susan, and assurance of Superior Judge Ingall W. Bull that no more court fights are to be instituted over possession of the 6-year-old child.

Judge Bull awarded Miss Talley, former opera and movie singer, a divorce from Adolph G. Eckstrom, her former New York voice coach, yesterday. He gave her Susan and restrained Eckstrom from prosecuting further, in any state, any issues involved here.

Further, Judge Bull reprimanded Eckstrom for making morals charges against Miss Talley. Declared he:

"I feel that the charges of immorality, impropriety and adulterous conduct made by the defendant are false and untrue.

"It is most regrettable that this innocent child is the one who must suffer most in this case. The charges are most unfortunate and I think that they have done the child irreparable injury. x x x

"And it seems to me that anyone who would have a normal love and affection which a father has for his child would not have made these serious charges of immorality, impropriety and adulterous conduct without any evidence to support them."

Eckstrom, both in a counter-suit for Susan's custody and in a separation-custody suit on file in New York, had charged Miss Talley was guilty of improprieties with eight men. Miss Talley denied this charge and her attorneys demanded that she be absolved of them.

Unofficial Soaring Record 18,200 Feet

Elmira, N. Y., July 2—(AP)—An unofficial American altitude record of 18,200 feet for sailplanes was credited today to Lyle Maxey, 22, Detroit, although he missed official standing because his recording barograph went out of order at 13,000 feet.

Flying in the 12th annual national soaring contest, Maxey yesterday reported his altimeter showed the record-breaking figure compared with the 17,264 feet officially set in 1939 by Robert M. Stanley, Buffalo.

Because of no visual proof, however, Maxey was not allowed official recognition.

Railroads in the U. S. predict that freight car loadings in 1942 will reach 43,680,000, and in 1943 will exceed 48,000,000, making necessary the addition of 270,000 new freight cars.

Prices of Products of Farm Advances Six Points in One Month

Washington, July 2—(AP)—Farm products prices advanced to points at local markets between mid-May and mid-June to reach 118 percent of the general level for the 1909-14 base period, the agriculture department reports.

The mid-June level was 23 points higher than a year ago. All groups of commodities except fruit were considerably higher than at this time last year. Meat animal prices were up 42 points; chicken and eggs up 37; truck crops up 24; cotton and cottonseed up 26; dairy products up 22; and grain prices 13 points higher. Fruit prices were down 7 points from a year ago, reflecting relatively low citrus prices.

The department explained that while farm prices averaged considerably above those of the base period in terms of dollars, the income was not sufficient to give farmers full parity returns.

Leaders of Labor Disappointed by State's Assembly

Springfield, Ill., July 2—(AP)—The 62nd general assembly's action on labor legislation was viewed today by state leaders of the American Federation of Labor and the Congress of Industrial Organizations with expressed disappointment, but spokesmen for both union movements acknowledged labor had held its own and made some gains in the session.

Harry W. Deck, legislative representative of the C. I. O., said in a statement that "labor made gains and successfully resisted the enactment of undesirable legislation such as the 'Little Vinson act' to curtail the rights of labor."

Deck added, however, that three important labor-sponsored measures "to extend to Illinois employees the same protection congress has given to workers in interstate commerce," were rejected.

These, he said, "were the state wage and hour bill, a state labor relations bill and a little Norris-LaGuardia proposal designed to assure fair consideration to labor in the issuance of injunctions."

In a similar analysis of legislative action, Reuben G. Soderstrom, president of the Illinois State Federation of Labor, said "progress was made in the enactment of the anti-kick back bill, passage of the prevailing rate of wage bill, and a measure requiring employers to state that a strike or lock-out exists, if such is the case, when advertising for workers."

Soderstrom said, however, that "the new legislative administration can in no way be regarded as progressive."

ZIVIC-DAVIS FIGHT SET FOR TONIGHT; RAINED OUT

New York, July 2—(AP)—Kept apart last night by a shower, Welterweight Champion Fritz Zivic and Bummy Davis, the soldier boy, will try again tonight to put on their 12-round non-title fight at the Polo Grounds.
Not enough rain fell last evening to wet anybody, but the threatening weather of the afternoon apparently kept the customers away from the ticket windows, and Uncle Mike jumped at the chance to postpone the bout.

Record of Germans' Ace of Aces Beaten

New York, July 2—(AP)—Lieut. Col. Werner Moelders, Germany's ace of the current war, has surpassed Baron Manfred von Richtofen's World war record of 81 planes shot down, the German wireless has announced.
Moelders, who holds the coveted Oak Leaves award, has bagged 82 planes to become the most successful fighter pilot in German history.

Von Richtofen, heretofore hailed as the ace of aces, was killed on the Somme front in April, 1918.

Golf Club to Have Concert and Fireworks

The beautiful fairways at the golf links will be the scene again this year of the annual band concert and fireworks show in which the club cooperates by providing the grounds. Polo was one of the first communities in Illinois to adopt the home fireworks show plan and this will be the seventh that they have had. Claude E. Rose, director of the Polo band, will lead his musicians in a concert at 8 o'clock. This concert will replace the usual Wednesday night concert. The fireworks show will be about 9 o'clock.

Plantz Reunion

The annual Plantz reunion held Sunday at the home of Mrs. Hazel Krumm. A scramble dinner was enjoyed at one o'clock and the afternoon was spent in visiting. Forty-two relatives and guests were present from Miami, Florida; Madison and Baraboo, Wisconsin; Ashton, Chana, Rochelle, Leaf River, Franklin Grove, Joliet and Polo.

Mr. and Mrs. Otto Boehme of Dixon called on Mrs. Boehme's sister, Mrs. George Galor recently. Mrs. Mary Wilson came Tuesday evening to spend a few days with her sister, Mrs. Jennie Wilder. After spending a two weeks vacation with her mother, Mrs. Hazel Krumm, and sister Ruth, Miss Dorothy Krumm returned Sunday evening to her work as a student nurse at the Dixon public hospital.

Oliver Trump of E. Buffalo street is suffering from ivy poisoning.

Mrs. Arastine Riggs and Mrs. Alice Porter have returned home from a two weeks vacation in Wisconsin.

Chicago Negro Feels "Bite" of New Laws

Chicago, July 2—(AP)—James A. Hopkins, 36-year-old Negro, is the first person here to feel the "bite" in the state's new parole law which empowers courts to designate maximum and minimum terms for indeterminate sentences. Hopkins, convicted of burglary, was sentenced yesterday by Criminal Court Judge John F. Bolton to a "minimum of five years and a maximum of ten years."

Under the old law to life sentence for his type of offense, Hopkins would have been eligible for parole in 11 months. Now, however, he must serve five years before his clemency petition can be heard. A vote of at least four of the five members of the new parole board would be required to set aside the court's recommendation.

Administrators of WPA Tackle Job of Drastic Cut Today

Chicago, July 2—(AP)—State administrators of the Works Project Administration tackled a huge WPA employment reduction job today.

They met with Howard O. Hunter, WPA Commissioner, in an annual two-day session, faced this time with the necessity of cutting the rolls about 400,000 to a level of 1,000,000 for the nation.

A spokesman said the WPA appropriation bill passed by congress Monday allotted \$875,000,000 for the program in the fiscal year which began yesterday. This would permit employment of about 1,000,000, a figure which was suggested to congress by President Roosevelt as a desirable average for this fiscal year. The preceding fiscal year appropriation was \$1,350,000,000.

WPA employment nationally averaged 1,700,000 in the past fiscal year until last spring, when reductions began which brought it down to about 1,400,000 by June 30. The spokesman said the added 400,000 cut would be effected "immediately," possibly within a week and "surely" by July 15.

An example of how the reductions will be made nationally was furnished last week when George H. Field, Chicago regional director and acting Illinois state administrator, announced that the Illinois July quota would be dropped from 93,000 to 66,500, an all-time low since the WPA program began. The state office said yesterday the new appropriation bill would not change the 66,500 July figure materially. Illinois peak WPA employment was \$247,000 in 1938.

T. P. & W. Indicted By Federal Jurors

Peoria, Ill., July 2—(AP)—Criminal charges of interfering with the organization of employees in violation of the National Railway Labor Act were contained in a Federal grand jury indictment returned last night against the Toledo, Peoria & Western Railroad and two of its officials.

The indictment, culminating six months' investigation by department of justice agents, was described by U. S. attorneys as the first criminal action brought under the railway labor act of 1934.

H. H. Best, the road's superintendent, and Bruce Gifford, train master, were the two individuals named. Conviction carries minimum and maximum fines of \$1,000 and \$20,000 and six months' imprisonment on each of the 24 counts in the indictment.

The railroad, the indictment alleged, coerced employees by threatening loss of seniority rights if they joined or remained members of the Brotherhood of Railway Trainmen.

THE DEUCE YOU SAY

Fred Lewis and Willard Jones are reported to have scored a deuce on No. 2 hole (par 3) at the Dixon Country club yesterday afternoon. Each player was on the green in one, but Willard is said to have used his famous "No. 4" wood to make the 21 yard drive while Fred used a No. 4 iron. Ken Detweiler and George Joyce (playing just ahead of Jones and Lewis) also used irons for the shot and were on the green too. No doubt Jones will say, "What's the difference, as long as you get there?"

SUNDAY NIGHT SOFTBALL FEATURES

John Lange today announced two outstanding softball games will be played Sunday night at the Airport park. In the first game the Freeman's of the local league will meet Sullivan's of Rock Falls. In the nightcap Reynolds Wire will play with Ehaloy Foundries, one of the strongest teams in Rockford. "Peewee" Schertner will be the man at the microphone and Ray Holland is to be the official scorekeeper.

RALPH LEAVES FOR DENVER

Ralph Stonehouse, Dixon Country club pro, leaves tonight on the Northwestern's "City of Denver" for Denver, Colo. where he is to play in the National P. G. A. tournament which starts July 7. Ralph will arrive at 7 o'clock tomorrow morning and he will have until Monday to practice on the tournament course. Each golfer who qualified in the previous tournaments held around the country must play 36 holes to reduce the field to 61 before match play begins and continues for a week. Ralph qualified in Chicago earlier this season with a 147 for 36-holes.

HAS A SCORE TO SETTLE

Pitcher Ralph Keegan of the Dixon Knacks staff has a score to settle with Prophetstown when the locals meet the Prophets here at Reynolds field Sunday afternoon. The visitors defeated Keegan twice last season and he's out to get them this year.

EMMERT NAMES LINEUP FOR HOLIDAY GAME

Hi Emmert, manager of the Dixon Knacks, is bubbling with enthusiasm for his new streamlined club which he declares is the best ever. The boys will get a chance to display their talents here in the holiday game on July 4 with the Howe All-Stars of Rock Falls. The game is to be played at Reynolds field at 2:30 o'clock and is one of the feature attractions on the big Homecoming program. Hi has named his starting lineup as follows: Studzinski ss; Martinkus 2b; Runnels 1b; Miller cf; Windmiller c; Rucker lf; Full 3b; Kuhn rf and Bodi p. The hurler is a former player with Spring Valley's Big House team and reported to be Class A material. Also supplementing the team are Page, Krug and Devine and Bill Bushman as coach. Harry Downs will be the umpire.

ENTER DE KALB TOURNAMENT

Dixon's United Cigar softball team, current leader in the Ashton and Dixon leagues, has entered the DeKalb invitational tournament. Play begins the week of July 14.

MAITA DEFEATS ROCHELLE

Rapping Spohn, Rochelle town team pitcher for a total of 13 base hits, the Malta team turned in a one-sided 11 to 3 victory over the visitors Sunday afternoon. Leading Malta's attack were D. and O. Berg, each of whom collected three hits in four trips to the plate. C. Berg, the Malta hurler, was in rare form, holding the opposition to five scattered hits while his mates went to work to pile up a huge margin for him.

HOLIDAY GOLF TOURNAMENT

Ken Detweiler, chairman of the Holiday Homecoming golf tournament, stressed again today that all local golfers (Plum Hollow members, etc.) are welcome to compete in the tournament. In the absence of Ralph Stonehouse, Tim Sullivan will be the tournament scorekeeper. Prizes for the tournament will be on display starting tomorrow in the window of Myers and Nolan clothing store.

RED SOX PURCHASE NELSON POTTER

Nelson Potter, 26-year-old right handed pitcher from Mt. Morris, has been sold to the Boston Red Sox for the \$7,500 waiver price. It has been announced by the Philadelphia Athletics. He joined the Red Sox Tuesday at New York City and will be there tonight. His new mates are scheduled to play Thursday and Friday in Philadelphia. Potter had a record of nine wins and 14 losses last season with the As. He was drafted from Columbus in 1937 and had not pitched for the As since June 14 when he was used in a relief role against the Browns. A couple of seasons ago he underwent an operation on his finger. He is well known in these parts also as an official of basketball games during the winter season.

HIGGS LEAVES

Charles Higgs, golfing friend of Pro Ralph Stonehouse who had been here for a few days while the local pro attended the Kankakee Midwest Open, has returned to Chicago. Higgs suffered a recurrence of a serious illness during his brief stay here and was unable to remain.

Sports Roundup

New York, July 2—(The Special News Service)—The Dodgers have had five players beamed since the start of last season and if that isn't a modern record for one club, sue us... Ted Williams, who aspired to be a fireman, is doing even better—he's a ball of fire, himself... Did you know that Willie Keeler, whose consecutive hitting streak Joe DiMaggio equaled yesterday, once beat out five infield hits in one game, all of them to short?... Don McNeill has the G-Man bug and may hang up his racket at the end of this season—if he can get a job.

Bob Seeds, the former Giant, is riding the Baltimore bench for pitiful hitting... Joe Medwick has been using a lighter bat and the dividends are rolling in... When Charlie O'Rourke, the ex-Boston college star who wore No. 13 throughout his high school and college careers, was married recently, there were exactly 13 persons in the wedding party... Correction: It is the National Semi-Pro Baseball Congress (not the American Legion) which has hired "One-Eye" Connolly to preside over the pass game... Frankie Kovacs, the clown prince of tennis, registered for the draft yesterday and may be on his way soon... Old Zeke Bonura has been appointed assistant to the athletic officer at Camp Shelby, Mississippi.

DETROIT LASS LEADS CO-EDS IN GOLF MEET

Columbus, O., July 2—(AP)—Betty Co-eds from seven schools, survivors of first round matches, met today in quarter-final play in the first Women's National Intercollegiate golf championship, which is the semi-finals late this afternoon. Heading the list was Marjorie (Schoolgirl) Row of Detroit, sophomore at Michigan State university, who is six under par for 31 holes of tournament play. However, Eleanor Dudley, the University of Alabama student from Chicago, also had a host of backers.

Both won their opening starts in convincing fashion. Miss Row smacking Dorothy Hicks of Western Reserve by 6 and 4, and Miss Dudley taking a 5 and 4 setback on Deborah Morgan of Michigan State.

Today Miss Row was to meet Betty Mackener of Rollins, who eliminated Marjorie Wendel of Skidmore by 4 and 3, while Miss Dudley collided with Martha Dakin of Miami university, 4 and 3 victor over Mary Jane Wilson of Bouve School of Boston.

Other pairings included Alberta Little of Rollins, 2 up victor over Ruth Thomas of Hillsdale, vs. Frances Ann McCanna of St. Mary of the Woods (Terre Haute, Ind.) who eliminated 99-pound Mitzie Levine of Western Reserve, by 6 and 4.

The finals are scheduled Thursday, over 18 holes.

FORMER NOTRE DAME BACK SIGNS FOR PRO FOOTBALL

Chicago, July 2—(AP)—Bill McGannon, former Notre Dame halfback, has signed with the Chicago Cardinals of the National Football League. An exceptional ball carrier at Notre Dame, McGannon also kicks and passes and will be groomed for the tail back spot in the Cardinal offense.

GAMES LAST NIGHT
Reynolds 13; Bordens 5.
United Cigar 6; Three Deuces 5.

It doesn't follow in softball that a good beginning is a job half done. And just to prove it, take the hard luck stories of Bordens and the Three Deuces who slipped into the lead in the first inning of each game at the Airport last night, only to be overtaken in subsequent frames by Reynolds and the United Cigar.

In the opening contest the wiremen whipped the milkmen, 13 to 5, in a game clouded by 14 errors, nine by Bordens.

The milkmen took the lead, 2 to 0, in the opening inning when Scriven beat out a hit to left field, advanced on an error and infield play and scored on Russell Bush's single. The latter went to second on the second sacker's error and scored on an error by the shortstop.

Third Inning

Cox walked to put a runner on base for the wiremen in the third inning and he went to third on McConahay's double to right field, but expired when Ankeny was out to right field. The milkmen had two hits, a single by D. Bush and a double by Haas, in the fourth inning but failed to score.

Reynolds took the lead with five runs in the fourth on three hits (singles by McConahay and Fordham and a double by Woldridge) two walks and four errors.

L. Whitebread singled as first man up for the Bordens team in the fifth, went to second on a walk and scored on a double by R. Bush which also drove in Scriven. R. Bush counted on a double by his brother, Don.

Four Runs Scored

In the same frame singles by Windmiller and Walker combined with four more errors to give the wiremen four tallies. Three more runs scored on a walk and three singles (McConahay, Page and Trotter) in the sixth inning. Haas got a double for Bordens but failed to make it count for a run. One run scored on singles by Fordham and Walker in the Reynolds half of the sixth. Scriven got a double for Bordens.

McConahay, playing shortfield for the winners, had a perfect night at bat with a double and two singles in three official times to the plate.

Winning pitcher was Flash Fordham who allowed nine hits, walked two and struck out six. Jensen, on the mound for the Bordens team, allowed 12 hits, walked five and whiffed three.

NIGHTCAP GAME

In the nightcap game the United Cigars maintained their perfect record in the league by winning their sixth straight game—but only by the proverbial skin of their teeth. The leaders met the Three Deuces who are now in third place in the circuit and the Bush-managed team made it plenty hot for the cigars. Hits were almost even, with the losers having more (eight to seven).

The Three Deuces took the lead at the end of the opening canto with three runs scored on singles by Winebrenner and Lyttrell and a triple to right field by Bishop. The United counted two runs on singles by Woodyatt and Davis and one walk.

Woodyatt was safe on a fielder's choice as the second man up for the cigars in the third inning and went to third on Krug's double to left field, but there he faded when the next two men were out on infield plays.

Fourth Inning

In the fourth frame Bug of the winners was safe at first on the third sacker's error, went to second on a sacrifice by Coakley, to third on a wild pitch and scored on a triple by Curlee. The latter was out on a relay from center-field to second to first baseman.

In the fifth with one away, Snyder of the United drove a double into right field, went to third on an error by the second baseman which left Woodyatt safe at first. Snyder scored and Woodyatt went to third on Krug's second double. Krug went to third on the throw from left field to home.

Three Deuces staged a rally in the sixth with two runs counted on singles by Bishop, Sweeney and Winebrenner. The scoring for each team ended there.

Walter Deets of Sterling, on the mound for the United Cigars, allowed eight hits, walked one and struck out nine. Smith of Walnut did the hurling for the Three Deuces and he was rapped for only

NOVIKOFF IS HITTING .500 FOR BREWERS

St. Paul, Minn., July 2—(AP)—American Association pitchers are not for the moment trusting one Lou Novikoff, late of the collapsible Chicago Cubs.

Certainly Minneapolis and St. Paul pitchers are not trusting Lou. One moment Novikoff smiled to reporters that "I ain't mad at nobody. They call me the mad Russian, but that is a joke. I don't get mad."

Then Lou went on a snarling rampage Sunday, massacred eight Minneapolis pitchers in one day, getting seven hits in eleven chances, hitting three home runs, driving in eleven runs and generally disporting himself like a mad something or another.

Novikoff slammed high balls low balls, curves and fast balls. He hit just about everything the harassed collection of south-paws and right handers tossed up.

Has Clouted 21 Hits

In his first nine games with Milwaukee, Lou got 21 hits in 42 times for an even .500.

That is mighty hard on pitchers but it is not at all hard on the gate. Attendance at Milwaukee picked up when Lou came to town along with Manager Charley Grimm.

Demoted after a dismal showing with the Cubs, the former Coast League slugger talked excitedly about playing regularly and rattling the horseshoe against distant fences. "I got rusty playing with the Cubs—play a day and loaf two," explained Lou. "Play me every day and I'll show you some sock."

CUBS SEEK TO END BATTING SLUMP WITH EXPERIMENT; TO ROPE OFF CENTER BLEACHERS

Chicago, July 2—(AP)—The Chicago Cubs tomorrow will try a \$1,000 experiment—all in the hope that the team will snap out of a hitting slump which has seen it make only nine earned runs in its last 87 innings.

Some 2,000 center-field bleacher seats will be roped off so that Cub batters will be free of the "white shirt" background they insist has handicapped them in trying to follow pitchers.

General Manager Jim Gallagher doesn't believe the bleacher background has anything to do with the club's hitting, or lack of it, but after a spell in which the team has anything to do with the club's hitting, or lack of it, but after a spell in which the team has lost nine of its last 11, he's willing to try anything. The center bleacher seats, which sell for 50 cents, are the most popular in the park, Gallagher said.

The Cubs tomorrow will play the St. Louis Cardinals. Tonight, the Chicago team will oppose Janesville, Wis., its Class D farm.

Yankees Win Twin Bill to Increase Lead in Loop; DiMaggio Ties Record

Associated Press Sports Writer

The Yankee streak that you probably haven't heard anything about is a five-game winning streak—and it may turn out to be more important than Joe DiMaggio's sensational string of hits or the club's chain of home runs.

The New York Bombers are raiding the strong and the weak alike these days. Their double victory, 7-2 and 9-2, over the rugged Boston Red Sox yesterday gave them a record of nine wins in their past 10 games and increased their American League lead in spite of the fact that the Cleveland Indians won last night at St. Louis.

DiMaggio, whose hitting streak has captured the fancy of fans to such an extent that a crowd of 52,832 turned out at Yankee Stadium for what otherwise would have been a drab mid-week double-header, lived up to everyone's hope.

He made two hits in the opener and one in the five-inning nightcap to tie Willie Keeler's all-time major league record of hitting in 44 consecutive contests in 1897, when fouls didn't count as strikes.

Home Run Streak Ends

The Yankees' record streak of 40 home runs in 25 straight tilts ended in the first game. They passed Detroit's 17-game record a week ago Sunday.

The Indians have been showing some of their expected doldrums and last night Manager Roger Peckinpaugh fined and suspended

CHICK EVANS IS OLD MAN RIVER IN GOLF CIRCLES

Colorado Springs, Colo., July 2 —(AP)—Chick Evans is the old man river of golf. He keeps on rolling in his mild-voiced leisurely way.

The friendly Chicago veteran, formerly National Open and amateur champion, is here competing for the 24th year in the Western Amateur championships. Nobody still playing competitive golf has been at it as long as Chick.

He first played in the Western in 1906, long before most of this year's contestants were born. He has won it eight times, including a four-year streak ending in 1923.

Shoots 5 Over Par

Evans shot a respectable 75 five over par on Broadmoor's mountain-framed fairways in the first leg of the 36-hole qualifying tests yesterday, which placed him in the top third of the elim field of 63.

Another such performance today seems sure to land the veteran in the match play bracket of Defending Champion Marvin (Bud) Ward of Spokane, Wash., and the 31 low shooters for 36 holes.

Ray Brownell, 6-foot-3-inch Stanford sophomore from Monterey, Calif., who was runnerup for the National Collegiate title Saturday, led the field at the half-way stage with the day's only par round—37-33-70.

Crooner Bing Crosby, who reported a 76, said he had to leave by train today for Hollywood and his Thursday broadcast. Ellsworth Vines, lanky tennis professional, also scored a 76.

Yenerich Reunion

The twentieth annual reunion of the Yenerich family was held at Sycamore park near Sycamore on Sunday with fifty members and several guests present to enjoy a sumptuous picnic dinner at the noon hour.

Following the dinner a brief business meeting was held and L. G. Yenerich was elected chairman of the group for the coming year and Mrs. Ida Y. Smith of Mendota was re-elected secretary-treasurer. Committees were also appointed to serve at the reunion next year, which will be held at Shabbona park on the last Sunday in June.

Those present were: Mr. and Mrs. B. G. Yenerich and Mr. and Mrs. Clyde Kokalbas of Waukegan; Mr. and Mrs. Orlin P. Yenerich and sons of Barwyn; Harry Johnson of Northbrook; Mr. and Mrs. Harold Yenerich of Onarga; Mr. and Mrs. Clyde Snow and Mr. and Mrs. Paul Smith of Aurora; Mr. and Mrs. Lyman Snyder of DeKalb; the A. D. Yenerich family of Earlville; Mr. and Mrs. L. G. Yenerich of Dixon; Mrs. Ida Smith, Mr. and Mrs. Ralph Yenerich and Lester Yenerich of Mendota; the Artemus Yenerich family and Mr. and Mrs. Howard Yenerich and daughter and the George Yenerich family, all of Paw Paw; Mrs. Ellen Heibenthal, Mr. and Mrs. Ervin Wagner and family and the W. H. Yenerich family and Mrs. Emma Yenerich of this place.

The afternoon hours passed quickly as the older members of the group visited and the younger set were entertained with the various amusements of the park. All are looking forward to the 1942 reunion.

Bible School Demonstration

A two weeks session of daily vacation Bible school closed on Friday at the Reynolds Evangelical church. On Sunday evening the children displayed their handwork and gave a demonstration of their work.
